**Parent Feedback**

Dear Parent,

As we come to the end of the academic term, we invite your feedback via short survey of which the link is shared in your email.

We encourage every parent to participate in this survey and avail this valuable opportunity to give their views as for the growth of any organization, it is important to know from all the stake holders about their views and opinions through feedback that would help us to bring in constructive and positive changes in the organization.

On every open House we have encouraged our parents to reflect on their experiences with us. Your opinions provide us with information about what we are doing well and where we can improve.

Please fill the feedback form on or before 15<sup>th</sup> February 2018.
